Syllabus Insert for FA22

The Math Center in The Learners' Studio provides free tutoring in nearly all Villanova University Math and Statistics courses. From quick homework clarification questions to prep for final exams and anything in between, we can help! If you need a refresher on high school level math topics, we can lend a helping hand with that as well. Book a 1:1 session or just walk in any time for drop-in help—no appointment necessary!

Hours and Location: Monday through Thursday 11:00 a.m. p.m.-9:00 p.m., Fridays 11:00 a.m.-3:00 p.m., Sundays 3:00 p.m.-9:00 p.m. in Falvey 204

Access the schedule by scanning:

To book your session:

1. Visit [Villanova.mywconline.com](https://villanova.mywconline.com)
2. Register for an account and select “Content Tutoring (MAT/TLS FA22)” from the drop-down menu on the sign-in page
3. Use the “limit to” menu to locate your course by code (For example, MAT 1500). This feature will sort the schedule and show you all tutors approved to cover your class
4. White boxes represent available sessions. Click any white box to book

Or

Just walk into Falvey 204 during any of our hours of operation and ask the front desk coordinator to point you towards the right tutor for your question.

Don't see your class listed? Request a tutor for a missing subject at: tutorrequest.villanova.edu
